

# **Transport Costs**

## **Checklist:**

- Look to see if there are farms within walking distance from the school to save transport costs
- Investigate whether there are any farms on public transport routes to avoid hiring a bus
- Look out for any community groups or secondary schools that can offer a free mini-bus
- Order a bus that is appropriate for the size of group and see if you can timetable more than one trip during the day
- Try different coach companies from you school area and your destination as prices can vary a lot
